Story Title: Chester Adventures

Woosh..! Higher and higher the Rocket was going faster and faster. The giant caterpillar crashed frightfully onto the moon. Looking very astonished wondering begrudgingly if he should open the rocket door to look outside.

Gradually opening the rocket door the giant caterpillar carefully stepped onto the moon. Looking around the giant caterpillar froze, alarmed saw a very tall wizard with a very long beard. The wizard looked at the giant caterpillar “Hello there I’m Wally the wizard you must be.” Caterpillar muffled “I’m Chester the giant Caterpillar very nice to meet you sir.” Wally and Chester spent hours chatting. Chester asked Wally “Would you like to travel with me around the world.” Wally jumped flabbergasted shouted loudly “YES YES YES I would love to join you” Wally and Chester was excited “Hay Wally do you want to go on an adventure.” “Sure it will be fun were to.” “The white house to vote for animal rights.” “Is that the weird curly haired man?” “Yes.” Said Wally

Wally and Chester set of on their adventure to the white house. They were both excited to set off on an adventure together. As they flew back down to earth the journey was very rocky. BANG!!! They hit the ground with a very hard thud, “I think we have hit the ground” Said Wally.

Chester and Wally stepped out of the Rocket looking very amazed they was standing in a very big field looking at a small dinosaur, wally started to laugh very loud “What are you laughing at” Chester asked “Look at that dinosaur it’s dancing.” Wally and chester greeted the dinosaur “Hello there really good moves you have im wally and this is my friend Chester and we are looking for the white house to speak to the curly haired man do you know where we can find him.” “Oh my im Dave please to meet you im know as the dancing dinosaur and the place you are looking for is right over there.”Pointing to the right of the field. Chester looked over to the right hand side and with

amazement could see a really massive white house. Very excited Chester and Wally started jumping around. Wally then stopped and looked at Dave and asked Dave “Would you like to come with us and help save the animals and bugs we need to speak to the curly haired man because we need him to help us.” Dave looking puzzled and unsure he hesitated and with a very quiet voice he replied “yes I would really like to join you.”
