Holiday Programme

What a healthy treat!

Free holiday activities for those who receive free school meal benefits

For further information:
community@dover.gov.uk

THE PROGRAMME

On 8 November 2020, the government announced that the holiday activities and food programme will be expanded across the whole of England in 2021. The programme has provided healthy food and enriching activities to disadvantaged children since 2018.

This holiday provision is for school aged children who receive benefits-related free school meals.

AIMS OF THE PROGRAMME

As a result of this programme, we want children who attend this provision to:

- Eat more healthily over the school holidays
- Be more active during the school holidays
- Take part in engaging and enriching activities which support the development of resilience, character, and wellbeing along with their wider educational attainment
- Be safe and not to be socially isolated
- Have a greater knowledge of health and nutrition
- Be more engaged with school and other local services.

We also want to ensure that the families who participate in this programme:

- Develop their understanding of nutrition and food budgeting
- Are signposted towards other information and support in areas such as health, employment, and education.

WHAT'S INVOLVED

Providers across the district will be offering a range of multisports activities for young people in receipt of free school meals. There will be something on offer for every young person regardless of their ability.

As well as sports there will also be visits from Kevin the Drumming man, Audrey from Let's Go Escargo and Skill Horizons!

A hot meal or packed lunch will also be provided by Chequers Kitchen and Whole School Meals for each young person, everyday that they attend a session.

BOOKING IS ESSENTIAL

Each session is limited to 30 young people per day, so booking is essential. Bookings can be made via the links shown on each venue information on the following pages.

Children can attend as many sessions as they like at any location in the district, each activity provider has something unique to offer.

Please note children do not have to attend the school that the activity is based at in order to attend the activities.
